I Additional:

In the capturing video, please include the activity to write your **user profile** in the Packet Tracer application. Select the menu <Option> → <User Profile> and write your name and member as the following example:

The screenshot shows a 'User Profile' dialog box with a green border and a close button in the top right corner. The dialog contains the following fields and content:

- Name:** A text box containing 'Lab 4'.
- E-Mail:** An empty text box.
- Additional Info:** A text area containing the text 'Student's name who participate in this lab:' followed by a numbered list:
 - 1) student 1
 - 2) student 2
 - 3) student 3
- Buttons:** 'OK' and 'Cancel' buttons at the bottom right.

Then continue with the capturing process until end of the tasks **Lab 4**.
